

Cast of California Suite : Performance dates 16th, 17th, 18th November 2017

The action in all four one act plays takes place in suites 203/204 of a Hollywood hotel.

In the original, most characters were in early forties, but as long as we can roughly match pairs, this is not important. All except the London visitors are American, with typical Neil Simon quickfire delivery.

New York

- Hannah Warren Hannah is quick witted intelligent sophisticated
- William (Bill) Warren her laid back ex-husband now living in California
